

# PATRICIUS

## STILLA AUREA TOKAIENSIS

### 2021 sweet szamorodni

---

SOIL: volcanic, very rich in minerals  
HARVEST: early – mid September 2021  
GRAPE VARIETIES: 50 % Zéta, 28% Muscat blanc, 22% Furmint

#### WINEMAKING

.....  
FERMENTATION: in stainless steel tank  
MATURATION: 1 year in 220 l oak barrels

#### ORGANOLEPTIC SPECIFICATION

.....  
The nose brings the aromas of the botrytized “Aszú” berries with lots of fruity notes, as mango, peach, quince, apricot. In the back the elegance of the barrel ageing also appears. On palate fine complexity, roundness and elegance can characterize the taste. At the end unique minerality completes the wine.

#### TECHNICAL DATA

.....  
ALCOHOL: 12,5 % vol.  
RESIDUAL SUGAR: 124,2 g/l  
ACIDITY: 8,04 g/l
