

PATRICIUS

TOKAJI YELLOW MUSCAT

2023 dry

SOIL: volcanic, very rich in minerals
HARVEST: middle of September in 2023
GRAPE VARIETIES: Yellow Muscat

WINEMAKING

FERMENTATION: 100% in stainless steel tank
MATURATION: 100% in stainless steel tank

ORGANOLEPTIC SPECIFICATION

The grape was selected from Sajgó and Szárhegy vineyards for this muscat wine in 2023 vintage. The intense, smooth, floral aromas of the grape variety can be tasted in the wine as well thanks to the careful winemaking. Fine minerality and elegant, fresh acidity, it is a complex and well drinkable dry wine. A classic, well known wine of Patricius, a real star amongst the wine lovers.
